Eclipse™ System
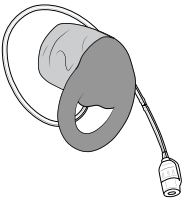

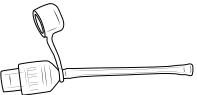

for bowel control in women

UROLOGY & UROGYNECOLOGY
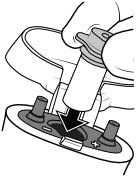

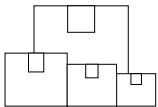

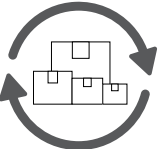

The Eclipse System is an innovative nonsurgical therapy that offers immediate results for women experiencing loss of bowel control.

Ordering Information

Sizer

Reusable sizing tool, representing the Insert base. Intended to aid in selecting appropriate Trial Insert sizes. Sizers are only to be used in the clinical setting and are not intended to be taken home.

SZ02-48RD, SZ02-51RD, SZ02-57RD, SZ02-64RD, SZ02-70RD, SZ02-76EP

Trial Insert

Single-patient-use vaginal Insert intended for in-office use during fitting and evaluation process. The Trial Inserts are identifiable by their white color. (One Pump included per system and patient - patient should use same Pump with both Trial and Eclipse Inserts.)

Small Balloon: TR02-48RDS, TR02-51RDS, TR02-57RDS

Regular Balloon: TR02-48RDR, TR02-51RDR, TR02-57RDR, TR02-64RDR, TR02-70RDR, TR02-76EPR

Eclipse Insert

Single-patient-use vaginal Insert Intended for longer-term use (up to one year). The Eclipse Inserts are identified by their indigo color. (One Pump included per system and patient - patient should use same Pump with both Trial and Eclipse Inserts.) A new Eclipse device should be prescribed annually.

Small Balloon: EC02-48RDS, EC02-51RDS, EC02-57RDS

Regular Balloon: EC02-48RDR, EC02-51RDR, EC02-57RDR, EC02-64RDR, EC02-70RDR, EC02-76EPR

Pump

The Pump is used by the patient for inflating and deflating the Insert Balloons. The Pump is packaged with the medium Regulator and a Patient Instructions For Use Booklet. (One Pump included with system and provided separately.)

PP02

Valve *(5 each per pack)*

Replacement Eclipse Valve, in the case of damage or irreversible soiling of the Valve. (Each Eclipse device includes one pre-installed Valve.)

VV04

Regulator *(5 each per pack)*

The medium Regulator is provided with the Pump. The low or high Regulator can be used to provide lower or higher maximum balloon pressure levels.

RR02-LOW, RR02-MED, RR02-HIGH

Extension Tube *(5 each per pack)*

Additional tubing to be used as needed to customize the Tube length insert.

TT02

Utility Cart

4-drawer storage Cart to hold Eclipse products and patient materials.

ECLCRT01
